**Re: Spartan Chemical Superfund Site  
Wyoming, Michigan**

Dear Sally:

The United States Environmental Protection Agency (U.S. EPA) State-Lead RPM POOL has reviewed the Remedial Investigation (RI) Report for the Spartan Chemical Superfund site in Wyoming, Michigan dated October, 1996 and has no significant comments.

However, please be aware that the documentation of the preliminary determination of responsible parties and the updated Administrative Record index must be provided by the lead agency prior to issuance of the proposed plan for the site.

Thank you for the opportunity to review the document and if you have any questions please feel free to call me at (312) 353-1264.

Sincerely yours,

Jon W. Peterson  
Coordinator State-Lead RPM Pool
